INDEX TO VOLUME IV

Abouchar, Alan: Pricing rationality and deficits on the Brazilian railroads 326
Abrams, Martin H. (reviewer): "Trade liberalization and transportation in international trade", by John M. Munro 344
Air transport
  Airline overbooking: a rejoinder, by Julian L. Simon 212
  Commission on the Third London Airport: "Proposed research methodology . . . assessment of the short-listed sites". Reviewed by D. L. Munby 109
  Articles 221, 235
  Economic status of local service airlines, by Robert W. Harbeson 309
  Equity in cost-benefit analysis—a case study of the Third London Airport, by V. C. Nwaneri 235
  Flight choice model, by Joseph V. Yance 144
  Illusory benefits of air travel 229
  Model of long delays at busy airports, by Alan Carlin and Rolla Edward Park 37
  What is wrong with Roskill? by E. J. Mishan 221
Airline overbooking: a rejoinder, by Julian L. Simon 212
American Maritime Association 126
Arrowsmith, George (reviewer): 'New directions in strategic transportation planning." by A. G. Wilson and others 347
"Automobile engineering". Technical bulletin no. 79. Luton Public Library 348
Automobile use and the standard of living in East and West, by Aubrey Silberston 3
Automobiles—*See* Road transport

Baltimore: Friendship International Airport 144
Barges
  Cost functions for inland waterways transport in the United States, by Leland S. Case and Lester B. Lave 181
Beesley, M. E.—work on modal split 195
Bejaković, Dražen: The share of transport and communications in total investment 337
Brazilian railroads, Pricing rationality and deficits on the, by Alan Abouchar 326
"Bristol: the central area and its environs" 348
British industry, Transport cost in, by S. L. Edwards 265
British municipal results—Economies of scale in bus transport, by N. Lee and I. Steedman 15
British Railways, 1962 to 1968, The performance of, by C. D. Jones 162
"British shipping statistics, 1968–1969" 117
Burroughs, R. E.: "The great Isle of Wight train robbery" 348
Buses
  Economies of scale in bus transport. I. Some British municipal results, by N. Lee and I. Steedman 15
  II. Some Indian experience, by Rajindar K. Koshal 29
  A stagger enquiry, by G. Walshe 284

Cargo liners, Turnround and costs of conventional—U.K.-India route, by R. K. Saggar 53
Carlin, Alan, and Park, Rolla Edward: A model of long delays at busy airports 37
Cars
  Automobile use and the standard of living in East and West, by Aubrey Silberston 3
  Prediction of car ownership: a comment, by Alan W. Evans. A rejoinder, by M. J. H. Mogridge 89, 100

Case, Leland S., and Lave, Lester B.: Cost functions for inland waterways transport in the United States 181
Cassie, Professor W. Fisher, symposium in honour of 215
Commission on the Third London Airport: "Prosed research methodology. Papers and proceedings, vol. vii Stage III. Research and investigation—Part I. Assessment of the short-listed sites". Reviewed by D. L. Munby 109
Articles 221, 235
Committee of American Steamship Lines 133
Communications—share in total investment 337
"Competition, monopoly and restrictive practices. A select bibliography". 348
"Computers in geography", compiled by John R. Tarrant 216
Congestion at airports 37
"Containerization: a bibliography" 216
Contributors 118, 217, 350
Corridors, Evaluating transport, by Michael A. Goldberg and Trevor D. Heaver 255
Cost-benefit analysis—Third London Airport 109, 221, 235
Cost-benefit model for corridors 258
Cost functions for inland waterways transport in the United States, by Leland S. Case and Lester B. Lave 181
Costs
Economies of scale in bus transport. I—Some British municipal results, by N. Lee and I. Steedman. II—Some Indian experience, by Rajindar K. Koshal 15, 29
Pricing rationality and deficits on the Brazilian railroads, by Alan Abouchar 326
Transport cost in British industry, by S. L. Edwards 265
Turnround and costs of conventional cargo liners, by R. K. Saggar 53
Crop marketing boards and transport policy in Nigeria 1950–64, by Alan Hay 171

Deakin, B. M., and Seward, T.: "Productivity in transport". Reviewed by Martin Rudd 115
